Initial consultation with participating schools

Aims of the consultation:

- To gain feedback from teachers to inform a final project specification
- To understand how participating schools seek to benefit from involvement in the project and establish measures of success
- To identify any potential barriers to involving teachers in the development process

Sections	Thinking	Time	Running total (mins)
Introduction AB	What we're going to do <ul style="list-style-type: none"> • Introductions • Purpose of consultation and agenda 	5	5
Warm up AB	Split into pairs and discuss key benefits and challenges which exist around using multimedia technology in a classroom setting (quick fire answers)	10	15
Present WM proposal AB AS DL	<ul style="list-style-type: none"> • AB – Project overview • AS – Learning resource, Publisher, Showcase • DL – Teachers area <p>Invite questions</p>	25	40
Group discussion	<p>2 groups:</p> <ul style="list-style-type: none"> • One group to discuss potential learning benefits and challenges the proposed resource could bring to teachers and students • One group to discuss the benefits and challenges of using the proposed resource in a classroom setting 	30	70
Report back	Each group to report back and discuss feedback with the wider group	20	90
